Department of Health and Human Services

In June 2013, Rockingham County Department of Public Health (DPH) and Rockingham County Department of Social Services (DSS) consolidated agencies and is now known as Rockingham County Department of Health and Human Services (DHHS). The consolidation is an effort by the Board of County Commissioners to improve service delivery and efficiency for the citizens of Rockingham County.

Our goal is to always remain client, patient, and consumer centered in the delivery of our services. Our governing board and staff are very excited about the quality improvement initiatives and efforts to better serve you, the citizen.

Mission Statement:

Rockingham County Department of Health and Human Services in collaboration of its community stakeholders protects the health, safety, and wellbeing of our customers by providing essential health and human services in the most efficient manner.
